About Lime Energy

Lime Energy is a leading provider of energy efficiency solutions that enable our clients to reduce their energy-related expenditures and the impact of their energy use on the environment. Our clients include commercial and industrial businesses, property owners and managers and energy service companies serving government and educational institutions. Our core Energy Efficiency Services business provides energy engineering and consulting services as well as the development and implementation of energy efficiency lighting upgrade services, mechanical and electrical conservation services, water conservation services and renewable energy solutions. Through our Energy Technology business, we also offer a proprietary line of intelligent controllers that provide continuous management of HVAC and lighting equipment using wireless communication technology in order to reduce energy usage and improve system reliability. The company's stock is traded on NASDAQ under the symbol LIME. Additional information is available at the company's website at <http://www.lime-energy.com> or by calling 847-437-1666.

FORWARD-LOOKING STATEMENTS

This news release includes forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 including statements that reflect Lime Energy's current expectations about its future results, performance, prospects and opportunities. Lime Energy has tried to identify these forward-looking statements by using words and phrases such as "may," "expects," "anticipates," "believes," "intends," "estimates," "plans," "should," "typical," "preliminary," "work toward," or similar expressions. These forward-looking statements are based on information currently available to Lime Energy and are subject to a number of risks, uncertainties and other factors that could cause Lime Energy's actual results, performance, prospects or opportunities in the remainder of 2008 and beyond to differ materially from those expressed in, or implied by, these forward-looking statements. These risks are referenced in the company's current Annual Report on form 10-K or as may be described from time to time in subsequent SEC filings.
